

CELEBRATING 40 YEARS OF
EXCEPTIONAL SERVICE

WESTMORELAND COUNTY 2016-2017

GOAL

In 2018 Bay Aging will be celebrating its 40th anniversary—40 years where staff have consistently delivered quality services!

With the goal of helping people—no matter what age—live independently for as long as possible, Bay Aging helps people live healthier with meals, personal care, transportation, affordable housing, home repairs and more.

TRENDS

By 2020, 38% of people living in the Northern Neck and 30% of Middle Peninsula residents will be 60 and older—a 5 to 6% increase from 2010. As generations age, they impact the types of services in demand—health, transportation and housing. Social risk factors, which are interconnected, significantly impact one’s ability to meet their own needs and the needs of their family. The top four needs that emerged through multiple community-wide needs assessments are:

- 1) housing
- 2) transportation
- 3) health
- 4) employment

As you turn the page, you will discover how Bay Aging Board of Directors, leadership and staff addressed these needs and their significant outcomes.

Bay Aging is proud of its strong partnerships with local, state and federal entities, businesses, foundations education and faith organizations, resource councils and community and civic organizations to improve lives.

We ARE stronger together!
