INDEPENDENT AUDITORS' REPORT

TO THE BOARD OF DIRECTORS OF BAY AGING APARTMENTS MIDDLESEX, INC. (PORT TOWN VILLAGE I) URBANNA, VIRGINIA

Report on the Financial Statements

We have audited the accompanying financial statements of Bay Aging Apartments Middlesex, Inc. (Port Town Village I) (a nonprofit organization), which comprise the statement of financial position as of March 31, 2016, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Bay Aging Apartments Middlesex, Inc., (Port Town Village I) as of March 31, 2016, and the changes in its net assets and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information shown on pages 11-14 is presented for purposes of additional analysis as required by the Consolidated Audit Guide for Audits of HUD Programs issued by the U.S. Department of Housing and Urban Development, Office of the Inspector General, and is not a required part of the financial statements. The accompanying schedule of expenditures of federal awards as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the additional procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements taken as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 31, 2016 on our consideration of Bay Aging Apartments Middlesex, Inc.'s (Port Town Village I) internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Bay Aging Apartments Middlesex, Inc.'s internal control over financial reporting and compliance.

Notes to Financial Statements March 31, 2016

NOTE 1 - DESCRIPTION OF ORGANIZATION:

Bay Aging Apartments Middlesex, Inc. (Port Town Village I) is a not-for-profit organization which is exempt from income tax under Section 501(c) (3) of the Internal Revenue Code and comparable state law. The Organization owns and operates Port Town Village, a 25-unit residential facility for elderly adults, located in Urbanna, Virginia. Substantially all revenues result from tenant rentals and rental subsidies from the U.S. Department of Housing and Urban Development Section 8 Housing Assistance Program. The Organization has been classified as a publicly supported organization under Section 509(a) of the Code. The project is a Section 202 project under the National Affordable Housing Act. The Organization commenced operations on March 23, 2006.

The Organization is managed by Bay Aging, whose President/CEO and Board of Directors also serve on the Board of Directors of the Organization.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting:

The Organization's financial statements are prepared on the accrual basis, in accordance with generally accepted accounting principles. Therefore, revenues are recognized when earned rather than when received and expenditures are recorded when incurred rather than when paid. Expenditures are capitalized as assets when the expenditure in one period can be seen as provided benefit to the Organization in future periods.

Financial Statement Presentation:

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Accordingly, the net assets of the Organization and changes therein are classified and reported, based on the existence or absence of donor-imposed restrictions, as follows:

<u>Unrestricted net assets</u> - Net assets that are not subject to any donor-imposed stipulations. At March 31, 2016 the Organization reported unrestricted net assets of (\$401,389).

<u>Temporarily restricted net assets</u> - Net assets subject to donor-imposed restrictions on their use that may be met either by actions of the Organization or the passage of time. At March 31, 2016, the Organization reported temporarily restricted net assets of \$2,042,500.

<u>Permanently restricted net assets</u> - Net assets subject to donor-imposed or other legal restrictions requiring that the principal be maintained permanently by the Organization. Generally, the donor permits the Organization to use all or part of the income earned for either general or donor-specific purposes. At March 31, 2016, the Organization had no permanently restricted net assets.

Accounts Receivable:

Accounts receivable consist of amounts due from tenants for rents and other charges, and amounts due from HUD for housing, assistance payments and construction advances. Tenant receivables are considered to be delinquent when they are more than 30 days in arrears. No provision has been made for uncollectible amounts since management believes all amounts reported as receivables will be received. Receivables are written off when all efforts to collect the amounts are exhausted.

Notes to Financial Statements (Continued) March 31, 2016

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (continued)

Fixed Assets:

Fixed assets which cost \$500 or more are capitalized. Depreciation is provided over the estimated useful lives of the assets using the straight-line method as follows:

Building 40 years Furnishings 7 years

Depreciation expense for the year ended March 31, 2016 was \$50,989.

Real estate acquired or constructed with HUD capital advance funds are subject to liens to HUD for a period of 40 years or until HUD releases use restrictions.

Revenue Recognition:

The Organization utilizes grant accounting for governmental grants received for specific programs. This accounting recognizes grant revenue to the extent of grant expenditures paid. Grant revenues received but not expended are reported as deferred revenue. Other revenues are recognized when earned.

Contributions:

The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

The Organization reports gifts of land, buildings, and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long these long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Distributions:

The Organization's regulatory agreement with HUD stipulates, among other things, that the Organization will not make distributions of assets or income to any of its officers or directors.

NOTE 3 - CASH AND CASH EQUIVALENTS:

For purposes of cash flows, cash and cash equivalents consists of all cash on hand and in banks, certificates of deposits, and investments with original maturities of 3 months or less. There were no investments during the year.

All cash in banks was in federally insured accounts at all times during the year.

Notes to Financial Statements (Continued) March 31, 2016

NOTE 4 - RESTRICTED DEPOSITS:

Under the regulatory agreement with HUD, the Organization is required to set aside amounts for the replacement of property and other project expenditures approved by HUD. Such amounts are required to be held in separate bank accounts. HUD restricted deposits, which were \$71,315 at March 31, 2016, are held in separate accounts and are generally not available for operating purposes. The use of the residual receipts and reserve for replacement accounts is contingent upon HUD's prior written approval.

NOTE 5 - ACCOUNTS RECEIVABLE:

Accounts receivable are due from tenants for unpaid rents and other charges, housing assistance payments and amounts due from HUD capital advances to pay HUD allowed project costs.

Rents due from tenants are considered overdue based on the terms of the lease.

A provision for uncollectible accounts has not been made as all amounts are considered collectible by management.

NOTE 6 - RENTAL INCOME:

Rental income consists of payments from tenants and HUD rental subsidies. Rent increases cannot be assessed without approval from HUD. The Organization received \$69,787 in tenant rental assistance payments from the Section 8 Housing Assistance Program.

NOTE 7 - CAPITAL ADVANCE:

Capital advance funds have been reported as temporarily restricted revenues. The capital advance funds do not bear interest and need not be repaid as long as the constructed facilities are used for housing for the elderly for 40 years, or other HUD approved use of the facilities. Failure to keep the facilities available for housing for eligible elderly persons or other HUD approved uses would result in HUD billing the Organization for the entire capital advance plus interest from the date of the first funds advanced.

NOTE 8 - RELATED PARTY ACTIVITIES / MANAGEMENT FEE:

The Organization is managed by Bay Aging. Bay Aging provides accounting and other related services to the Organization. All costs attributable to the operation of the residential facility that are paid by Bay Aging are charged to the Organization as incurred. Bay Aging was paid \$51,294 for various operating and capital expenses. All transactions were consummated on terms equivalent to those that prevail in arm's-length transactions. The management fee is approved by HUD and approximates 12.60% of gross potential rent. The Organization owed Bay Aging \$5,345 at March 31, 2016.

NOTE 9 - USE OF ESTIMATES:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Notes to Financial Statements (Continued) March 31, 2016

NOTE 10 - CURRENT VULNERABILITY DUE TO CERTAIN CONCENTRATIONS:

The Organization's primary asset is a 25-unit residential facility. The Organization's operations are concentrated in the multifamily real estate market. In addition, the housing project operates in a heavily regulated environment. The operations of the housing project are subject to the administrative directives, rules and regulations of federal, state and local regulatory agencies, including, but not limited to, HUD. Such administrative directives, rules and regulations are subject to change by an act of Congress or an administrative change mandated by HUD. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the additional administrative burden, to comply with a change.

NOTE 11 - FUNCTIONAL ALLOCATION OF EXPENSES:

The following summarizes the functional allocation of expenses:

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

TO THE BOARD OF DIRECTORS OF BAY AGING APARTMENTS MIDDLESEX, INC. (PORT TOWN VILLAGE I) URBANNA, VIRGINIA

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Bay Aging Apartments Middlesex, Inc. (Port Town Village I) (a nonprofit organization), which comprise the statement of financial position as of March 31, 2016, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated August 31, 2016.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Bay Aging Apartments Middlesex, Inc.'s (Port Town Village I) internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Bay Aging Apartments Middlesex, Inc.'s (Port Town Village I) internal control. Accordingly, we do not express an opinion on the effectiveness of Bay Aging Apartments Middlesex, Inc.'s (Port Town Village I) internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Bay Aging Apartments Middlesex, Inc.'s (Port Town Village I) financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

BAY AGING APARTMENTS MIDDLESEX, INC. (PORT TOWN VILLAGE I)
URBANNA, VIRGINIA

Report on Compliance for Each Major Federal Program

We have audited Bay Aging Apartments Middlesex, Inc.'s (Port Town Village I) (a nonprofit organization) compliance with the types of compliance requirements described in *the OMB Compliance Supplement* that could have a direct and material effect on each of Bay Aging Apartments Middlesex, Inc.'s (Port Town Village I) major federal programs for the year ended March 31, 2016. Bay Aging Apartments Middlesex, Inc.'s (Port Town Village I) major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Bay Aging Apartments Middlesex, Inc.'s (Port Town Village I) major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Bay Aging Apartments Middlesex, Inc.'s (Port Town Village I) compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Bay Aging Apartments Middlesex, Inc.'s (Port Town Village I) compliance.

Opinion on Each Major Federal Program

In our opinion, Bay Aging Apartments Middlesex, Inc. (Port Town Village I) complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended March 31, 2016.

Report on Internal Control over Compliance

Management of Bay Aging Apartments Middlesex, Inc. (Port Town Village I) is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Bay Aging Apartments Middlesex, Inc.'s (Port Town Village I) internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Bay Aging Apartments Middlesex, Inc.'s (Port Town Village I) internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
